We thank you for taking the time to respond to our questionnaire which was sent to you before the Christmas holidays and have enjoyed reading the positive feedback regarding the school meals. This means a lot to our catering team who always strive to produce the highest quality meals for your children.

There were many ideas about what parents/children would like to see on the menu, these have been passed onto our Menu Planning team, who will then consider if these are suitable for the new menu coming out later in the year (watch this space).

Obviously, we cannot please every individual child all of the time but we were pleased that you believe there is a varied choice of food available every day, that the meals provided are good value for money and that those children entitled to Universal Free School Meals were using them.

I would like to take this opportunity to remind you of what is available at lunchtime for your children and if anyone would like a copy of the menu please ask at Reception.

**Main Meal**

**Vegetarian Main Meal**

**Pasta Option**

**Jacket Potatoes with Tuna Mayonnaise, Beans or Cheese**

**Vegetables**

**Salad Bar** - which include 4 different salad items every day, eg cucumber/tomatoes/hard boiled egg/grated carrot/lettuce/peppers/carrot sticks/savoury rice, pasta salad

**Pick n Mix Option** - which includes a drink, sandwich, fruit pot, salad pot, yogurt or homemade sweet treat.

(Due to popular demand ham as a sandwich filling is now available every day as well as the other two choices)

**Dessert, Fresh Fruit or Yogurt**

We hope this clarifies exactly what choices your children have at lunchtime, and maybe we could even start to encourage a few new faces to come and give the meals a try, we would love to see you. Thank you for your continued support,

Best wishes from The Catering Team.
